# SELIS FAQ

How can I reset my password?

If you have forgotten your password, you may reset your password at the page given.

https://sebselis.info/lizmap/admin.php/auth/password_reset/

You may also access it from the login page, at the link indicated.

How can I change my password?

If you wish to change your password, you may do so through your profile. Firstly, navigate to My account.

Then, scroll down to the Change your password button and click on it.

Then, follow the steps indicated. Please note all items with a red asterisk (*) **must** be filled in. You may hover over the question-mark icons to view necessary details for new passwords.

My account is not validated yet. What do I do?

If your account is still not validated, please do check your Junk Email folder. There is a possibility that your verification e-mail ended up in there.
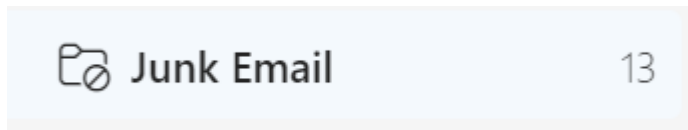

In case the e-mail has not yet appeared, or if the validation link has expired, please contact our sysadmin on Teams or via email for further assistance.

What do I do if I face any difficulties or bugs while using SELIS?

If you have encountered any issues while using SELIS, please contact our sysadmin with details on what you were doing at the time of the bug's occurrence. We will do our best to alleviate any issues that may have arisen and be sure to take your feedback into account in future development.

If you have any questions or concerns not addressed in the FAQ, please contact our sysadmin (Lancelan Pegan) on Teams or via email at Lancelan.Roland@sarawakenergy.com.
